OROGRANDE TOWNSITE ~ OTERO COUNTY, N.M.

This map or plat was copied from the 1905 plat of Orogrande Townsite on file in the office of the County Clerk of Otero County, New Mexico, being, to the best of my knowledge and belief, the only map or plat of said townsite of record. Railway easement angling across southwest corner of plat was drawn by legal description, and I have not at this date verified the survey of same. I certify that this copy is true and correct to the best of my knowledge and belief.
