1. None of said land shall be subdivided into lots, nor shall any dwelling be erected or placed on any lot having a width of less than 60 feet, at the minimum building set-back line, or an area of less than 6,000 square feet.

2. No lot shall be used except for residential purposes, except

No building shall be erected, altered, placed, or permitted to remain on any lot other than one detached single-family dwelling not to exceed two stories in height and a private garage for not more than two cars, except that Lots 1 through 7, both inclusive, in Block 8, shown on the plat of the Dale Bellamah Addition filed in the office of the County Clerk, Otero County, New Mexico, may be used for multi-family dwellings.

Approval shall be as provided in Paragraph 9 hereof.

4. No dwelling shall be permitted on any lot at a cost of less than \$8,000.00 based upon cost levels prevailing on the date of these covenants, it being the intention and purpose of the covenant to assure that all dwellings shall be of a quality of workmanship and materials substantially the same or better than that which can be produced on the date of these covenants at the minimum cost stated herein for the minimum permitted dwelling size. In the event the committee, or its designated representative, fails to approve or disapprove within thirty days after plans and specifications have been submitted to it, or in any event, if no suit to enjoin the construction has been commenced prior
