

2011 AMENDMENT AND RESTATEMENT OF RESTRICTIVE
COVENANTS FOR MT JOY ESTATES, A SUBDIVISION
IN OTERO COUNTY, NEW MEXICO

The undersigned, being the owners of all of the tracts in the Mt Joy Estates, Otero County, New Mexico, hereby amend the restrictive covenants affecting the tracts as follows:

Mt Joy Estates is a legal subdivision created by a subdivision and platting instrument recorded in Book 26, p. 1 of the real property records of Otero County, New Mexico (the "Original Plat Map") and subsequently amended from time to time by replating instruments recorded in the real property records of Otero County, New Mexico (individually a "Replat" and collectively, the "Replats").

This Amendment amends in the entirety and replaces the Restrictive Covenants recorded in Book 481, p. 376 of the real property records of Otero County, New Mexico (the "Original Covenants") and an Amendment To Restrictive Covenants recorded in Book 867, p. 332 and Book 926, p. 459 of the real property records of Otero County, New Mexico (the "1997 Amendment")

Section 1. Tracts or Lots Affected.

As used herein, and for purposes of these covenants, tracts not divided by replat and the lots or tracts created by replats shall be called "Tracts". Reference to book numbers and page numbers in this paragraph are references to the real property records of Otero County New Mexico. For purposes of these covenants, the Tracts and lots identified on the Original Plat Map and the Replats are divided into two categories: Covered Tracts and Excluded Tracts. Covered Tracts are subject to these covenants. Excluded Tracts are not subject to the covenants contained in Sections 2 through 16 hereof.

Covered Tracts are all tracts or lots identified on the Original Plat Map and all Replats except the Excluded Tracts. Covered Tracts are the following: Tracts 1-13, Tract 16, Tracts 22 and 23 and the tracts called Well Park, Cliff Park, Tank Park and Pond Park identified on the Original Plat Map (recorded in Book 26, p. 1); Lots 1B and 2B on Replat B, recorded in Book 62, p. 24; and Tracts 14D and 15D on Replat D, recorded in Book 63, p. 32.

Excluded Tracts are the following: Lots 1A and 3A identified on Replat A, recorded in Book 61, p. 71; Lots 1-5 identified on Summary Review of Plat of New Mexico Skies dated and dedicated May 17, 2005 recorded in Book 62, p. 59; Lots 1C and 2C identified on Replat C recorded in Book 63, p. 33; Tracts 18A and 18B identified on Replat F

recorded in Book 67, p. 96; Tracts 17A, 17B and 17C identified on Replat G recorded in Book 68, p. 2; and Lots 2A-1 and 2A-2 identified on Replat H recorded in Book 71, p 58.

Section 2. Roads.

The caliche, gravel or dirt road on the Original Plat Map making tracts accessible from Highway 82 shall be maintained by the Mt Joy Property Owners' Association (the "Corporation"), or its designee, through collection of annual dues and special assessments by the Corporation from the owner of each Covered Tract in Mt Joy Estates.

Section 3. Subdivision of Tracts.

No Covered Tract shall be subdivided into less than a two acre tract. If a Covered Tract is subdivided, the subdivided Tract shall become a Covered Tract when the tract is legally subdivided and properly recorded. In the event of such subdivision, the subdivided tract shall become subject to these covenants.

Section 4. Improvements and Building Location.

No more than one Residence is to be located per each two acres of land unless authorized by the written consent of owners of two thirds of the Covered Tracts. No such residential dwelling shall be less than 600 square feet. All residences shall be finished and maintained in a manner consistent with the existing improvements on Mt Joy Estates so as not to detract from fair property value as determined by the Corporation. Residence, as used in these covenants means homes constructed by normal construction methods (so called "stick built" structures) and manufactured homes but excludes trailers or mobile homes except as allowed hereafter. Manufactured homes, as used in these covenants, means homes that are not built on site but manufactured in a factory but which are intended from the outset to be permanently attached to the property. No building is to be built located closer than 10 feet to property line or 25 feet from front boundary. Septic tanks shall be installed by the resident to meet all legal requirements of Otero County, New Mexico, the State of New Mexico and the United States.

Section 5. Use of Property. Covered Tracts shall be used for residential and recreational purposes. The owners of Covered Tracts may construct and use astronomical observatories on their Covered Tracts except on Tracts 1-11 identified on the Original Plat Map. The owners of astronomical observatories may rent their observatories or space within their observatories as long as the person renting the observatory from the owner of a Covered Tract uses the observatory from a location other than Mt Joy Estates; provided however that Covered Tracts 22 and 23 and Lots 1B and 2B on Replat B may

offer astronomical services to the general public where the general public purchases the right temporarily to use astronomical and related equipment together with lodging on such tracts and lots during the use of that equipment.

Section 6. Tree Removal.

In order to maintain the natural appearance at Mt. Joy Estates, removal of any trees more than 8 inches in diameter one foot above the ground must be approved by the Corporation, except to the extent such trees must be removed to locate a residence, astronomical observatories, or outbuildings (or ingress or egress thereto) or removed because the tree is diseased or hazardous.

Section 7. Temporary Use of Trailers and Mobile Homes.

Without the consent of the Corporation, no trailer or mobile home shall be located on any Covered Tract. Upon the permission of the Corporation, a trailer or mobile home may be located on a Covered Tract for up to six months. Upon the expiration of the period of Corporation consent, the trailer or mobile home must be removed, at the owner's expense, from the Covered Tract on which it is located. The Corporation may set the conditions on which a trailer or mobile home is permitted to be used during the six month period so that the trailer or mobile home does not detract from the value of other properties within Mt. Joy Estates.

Section 8. Animals and Pets on Property.

No animals shall be kept on Covered Tracts except household pets. These shall be kept under control but not necessarily confined or tied up unless complaints are submitted in writing by other Covered Tract owners to the Corporation that a pet is a nuisance, in which case the pet shall be confined as may be directed by written notice to the owner of the pet. The provisions of this covenant may be varied by the Corporation or the written consent of owners of a majority of the Covered Tracts in Mt Joy Estates.

Section 9. Nuisance and Outside Storage.

No noxious or offensive activity shall occur on any Covered Tract, nor shall anything be done thereon which may be or may become or cause unsightly appearance or nuisance or annoyance to other owners of Mt Joy Estates. No Covered Tract shall be used as a dumping ground. Without the consent of the Corporation, no Covered Tract shall be used for any outside storage place for any materials, chattels, or objects whatsoever (except parking of working vehicles), except during the period of construction and then only for materials or vehicles in connection with such construction.

Section 10. Mount Joy Estates Property Owners' Association.

The affairs of the Covered Tracts in Mt. Joy Estates shall be managed by the Corporation. Owners of Covered Tracts shall be members of the Corporation and the Corporation shall set rules for the participation of such owners in the affairs of the Corporation. The Corporation shall have the ability to assess annual dues and special assessments for each Covered Tract in Mt. Joy Estates for the purposes of carrying on the business of the Corporation. If such dues or assessments shall remain unpaid forty – five days from when due, they shall become secured by liens on the Covered Tract on which the dues or assessments were assessed and be collectable and foreclosed as provided in New Mexico law. The Corporation shall be incorporated under the laws of New Mexico for non-profit corporations. The Bylaws of the Corporation shall fix the number of members of the Corporation's Board of Directors and Officers, their terms of service and how they are elected, provided that all members of the Board of Directors must be current owners of Covered Tracts in Mt. Joy Estates.

Section 11. Water.

Water is currently available to Mt. Joy Estates under an existing water well located on the Tract called the Well Park on the Original Plat Map, a set of storage tanks currently located on the Tract called the Tank Park Tract on Original Plat Map together with associated pumping, piping and delivery system (the "Water System"). Well water shall be piped to the property lines of tracts 1 through 3, 5 through 8, 12, 13, 14D, 15D and 16 (the "Water Rights Tracts"). The Corporation, through a subcommittee of its Board of Directors (the "Water Subcommittee"), shall operate and maintain the existing Water System (or any successor system) and be responsible for the provision of water to Mt. Joy Estates; provided however that upon the written approval of the owners of a majority of Water Rights Tracts, the Corporation can assign its rights and obligations to maintain the existing and any future Water System to any entity which is permitted to operate such system under the laws of the State of New Mexico, in which case that entity will succeed to the rights and obligations of the Corporation with regard to the Water System. The Bylaws of the Corporation shall provide for the number and terms of election of members who shall constitute the Water Subcommittee, provided that all such members who constitute the Water Subcommittee shall be owners of tracts which are Water Rights Tracts. The Water Subcommittee shall have the ability to assess annual dues and special assessments to the owners of Water Rights Tracts which dues and assessments shall pay for the expenses (including any improvements to the Water System approved by the Water Subcommittee) of providing water to the Water Rights Tracts. The Water Subcommittee may terminate water delivery to a Water Rights Tract for which dues or assessments are not paid when due. In addition, if any such unpaid dues and assessments shall remain unpaid forty five days from when due, then such unpaid dues or assessments

shall become secured by a lien on the tract on which the dues and/or assessments were assessed and such lien shall be collectable and foreclosed as provided in New Mexico law. Water may be piped to Covered Tracts that are not Water Rights Tracts ("Non-Water Rights Tracts") when additional tracts may be legally added to the Water System. In such event, the Water Subcommittee or its successor may authorize adding additional tracts to the Water System, and in which event, such Covered Tracts shall become Water Rights Tracts. The rights to water granted hereunder to a tract which is a Water Rights Tract may be sold to the owner of a Non-Water Rights Tract, in which case the tract whose water rights are sold shall be divested of water rights and the tract for which water rights are purchased shall be a Water Rights Tract. Such transfer of water rights shall be effective upon recording an instrument transferring the water rights and written notice to the Water Subcommittee of such transfer. The owner of the tract receiving a water rights transfer shall pay the costs of any new piping or other infrastructure necessary to provide water to that tract.

Section 12. New Mexico Night Sky Protection Act.

All outdoor lighting must comply with the State of New Mexico Night Sky Protection Act, NMSA 1978, Comp §§ 74-12-1 et seq (1999), as amended from time to time.

Section 13. Voting.

When approval by the owners of Covered Tracts is required by these covenants, each legally described tract, the description of which has been recorded, shall have one vote.

Section 14. Covenants Run with Land.

These Covenants run with the land and are binding on all parties, persons or entities owning Covered Tracts in Mt Joy Estates, and any of such owners' successors or assigns, in whole or in part, or who claim under, by or through such owners or otherwise claim an interest in the Covered Tracts or any divisions or subdivisions thereof, which covenants will be binding for a period of ten years from the date of these Amended and Restated Covenants are recorded, after which time these Covenants shall be automatically extended for successive periods of ten years, unless amended. These Covenants may be amended at any time, in whole or in part, by a properly recorded written amendment signed by the then owners of two thirds of the Covered Tracts, after which these covenants shall be automatically extended for successive periods of ten years, unless subsequently amended; provided that any such amendment shall only affect the Covered Tracts and shall not affect the Excluded Tracts.

Section 15. Enforcement.

Enforcement of these covenants by the Corporation or by the Owner of a Covered Tract may be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenant either to restrain violation or to recover damages. While enforcement is an available option, there is no duty to enforce these covenants. The failure to enforce these covenants shall not be deemed to be a waiver of the right to enforce these covenants.

Section 16. Counterparts.

Amendments or revisions of these covenants may be signed and notarized in counterparts, each of which shall be considered as an original and each of which may be recorded separately in the real property records of Otero County.

Section 16. Savings Clause.

Invalidation of any of these covenants by judgment or court order shall not affect any of the other provisions of these covenants which unaffected covenants shall remain in full force and effect.

IN WITNESS WHEREOF, we have set our hands and seals this 13 day of OCT, 2011.
