The Maintenance Assessment, and assessment for capital improvements, plus interest, late charges, cost and attorney's fees shall be a charge against the Lot and shall be a continuing lien upon the Lot against which each such assessment is made, and shall also be the personal obligation of the Owner or Owners of such property on the assessment date. The personal obligation to pay assessments shall not pass to successors in title unless expressly assumed by them.

Section 7.2: Operating Fund. There shall be an operating fund, into which the Association shall deposit all monies paid to it as:

- A. Maintenance Assessments;
- B. Assessments for capital improvements;
- C. Miscellaneous income; and
- D. Income and profits attributable to the operating fund;

And from which the Association shall make disbursements in performing the functions for which the foregoing assessments are levied.

Section 7.3: Maintenance Assessment. Within thirty (30) days prior to the commencement of each fiscal year the Association shall estimate the costs and expenses to be incurred by the Association during such year, including a reasonable provision for contingencies, and reserves for major repair and replacement, including specifically for the maintenance of the Conduits and Easement Areas, and shall subtract from such estimate an amount equal to the anticipated balance, exclusive of any

reserves for contingencies and reserves for major repair and replacement, in the operating fund at the start of such year. The sum or net estimate so determined shall be assessed to all Owners in shares: One (1) share for each vote, for example, if an Owner has 1.1843 votes they shall have 1.183 shares for purposes of the Maintenance Assessments.

- A. If, at any time and from time to time, during any fiscal year, the Maintenance Assessment proves or appears likely to prove inadequate for any reason, including non-payment of any Owner's share thereof, the Association may levy a further Maintenance Assessment in the amount of such actual or estimated inadequacy, which shall be assessed to all Owners apportioned as provided in subsection A.
- B. Maintenance Assessments shall be due and payable to the Association when levied or in such installments during the year, and on such dates as the Board shall designate.
- C. The Board shall not levy assessments to defray the costs of any action or undertaking on behalf of the Association which in the aggregate exceed five percent (5%) of the budgeted gross expenses of the Association for that fiscal year and which are not part of such budgeted gross expenses, without the vote or written consent of a majority of either the voting power or the members.

Section 7.4: Assessments for Capital Improvements and Indebtedness. The Association may also levy in any year an assessment for paying or returning, in whole or in part, the cost or proposed cost of acquisition and construction of a described capital improvement (whether the improvements constitute real or personal property), in an amount greater than can be included in the Maintenance Assessment, provided it has been approved by a majority of the voting powers of each class of members, which assessment shall be assessed to Owners as provided for in Section 5.3.

Section 7.5: Reserves as Trust Funds. Reserves for major repairs and replacements and for capital improvements to be built or acquired shall be kept segregated from the other monies held by the Association as trust funds in an account or accounts labeled "Reserve Trust Fund" and shall be withdrawn and used only for the purposes of major repairs and replacements or for capital improvements respectively, unless a different or other use is authorized by the vote of the members.

Section 7.6: Delinquency. Each assessment under this Article shall be the separate, distinct and personal debt and obligation of the Owner against whom it is assessed. Any assessment provided for in this Article, which is not paid when due, shall be delinquent. When respect to each assessment not paid within ten (10) days after its due date, the Association may, at its election, require the Owner to pay a sum (late charge) to be determined by the Association, to pay the costs of handling the delinquent sum, but not to exceed twenty-five Dollars (\$25.00) per each delinquent sum, per each delinquent assessment. Such a charge shall be considered an additional assessment

and collectible with the assessment for which it was charged. If any such assessment is not paid within thirty (30) days after the delinquency date, the assessment shall bear interest from the date of delinquency at a rate set from time to time by the Association, however not greater than twenty percent (20%), and the Association may, at its option, bring an action at law against the Owner or Owners personally obligated to pay the same, and upon compliance with the provisions of this Article to foreclose the lien against the Lot, and there shall be added to the amount of such assessment the late charge, the costs of preparing and filing the compliant in such action, and in the event a judgement is obtained, such judgment shall include interest at the rate provided herein and a reasonable attorney's fee, together with the costs of action. Each Owner vests in the Association, or its assigns, the right and power to bring all actions at law or lien foreclosure against such Owner or other Owners for the collection of such delinquent assessments.

Section 7.7: Notice of Lien. No action shall be brought to foreclose an assessment lien less than thirty (30) days after the date a notice of claim of lien is deposited in the United States mail, certified or registered, postage prepaid, to the Owner of said Lot, and a copy thereof is recorded by the Association in the office of the County Recorder in which the Subdivision is located; said notice of claim must recite a good and sufficient legal description of any such lot, the record Owner thereof, the amount claimed (which shall include the interest charges, costs and attorney's fees recoverable by an action at law) and the name and address of the Association.

Section 7.8: Foreclosure Sale. Any such sale provided for above is to be conducted in accordance with the customary practice of the courts of the State of New Mexico, applicable to the foreclosure of mortgages, or in any other manner permitted or provided by law. The Association, through its duly authorized agents, shall have the power to bid on the Lot at a foreclosure sale, and to acquire and hold, lease, mortgage and convey the same.

Section 7.9: Curing Default. Upon the timely curing of any default for which a notice of claim of lien was filed by the Association, the officers of the Association are hereby authorized to file or record, as the case may be, an appropriate releases of such notice, upon payment by the defaulting Owner of a fee, to be determined by the Association, no to exceed twenty-five Dollars (\$25.00), to cover the costs of preparing and filing or recording such release, together with the payment of such other costs, interest or fees as shall have been incurred.

Section 7.10: Cumulative Remedies. The assessment lien and the rights to foreclosure and sale thereunder shall be in addition to and not in substitution for all other rights and remedies which the Association and its assigns may have hereunder and by law, including a suit to recover money judgement for unpaid assessments, as above provided.

Section 7.11: Certificate of Payment. The Association shall, upon demand, furnish to any Owner liable for assessments, a certificate in writing signed by a officer of the Association, setting forth whether the assessments on a specified Lot have been paid,

and the amount of the delinquency, of any. Such certificate shall be conclusive evidence of payment of any assessment therein.
