- A. The Contracting Agency's designee shall negotiate a contract with the highest qualified business for the services contemplated under this RFP at compensation determined in writing to be fair and reasonable. In making this decision, the designee shall take into account the estimated value of the services to be rendered and the scope, complexity and professional nature of the services.
- B. Should the designee be unable to negotiate a satisfactory contract with the business considered to be the most qualified at a price determined to be fair and reasonable, negotiations with that business shall be formally terminated. The designee shall then undertake negotiations with the second most qualified business. Failing accord with the second most qualified business, the designee shall formally terminate negotiations with that business.
- C. The designee shall then undertake negotiations with the third most qualified business.
- D. Should the designee be unable to negotiate a contract with any of the businesses selected by the committee, additional businesses shall be ranked in order of their qualifications and the designee shall continue negotiations in accordance with

this section until a contract is signed with a qualified business or the procurement process is terminated and a new request for proposals is initiated.

- B. In the event of a timely protest under this section, the Purchasing Agent and the Contracting Agency shall not proceed further with the procurement unless the Purchasing Agent makes a determination that the award of Agreement is necessary to protect substantial interests of the Contracting Agency (§ 13-1-173 NMSA 1978).
- C. The Purchasing Agent or the Purchasing Agent's designee shall have the authority to take any action reasonably necessary to resolve a protest of an aggrieved Offeror concerning procurement. This authority shall be exercised in accordance with adopted regulations, but shall not include the authority to award money damages or attorneys' fees (§ 13-1-174 NMSA 1978).

6. OTHER INSTRUCTIONS TO OFFERORS

Resident Business Preference or Resident Veteran Business Preference:

Points will be awarded based on Offeror's ability to provide a copy of a current Resident Business certificate or Resident Veteran Business certificate.

6.1 Resident Business Preference

For the Offeror to receive a Resident Business Preference, the business shall submit, with this proposal, a copy of a valid Resident Business certificate issued by the New Mexico Taxation & Revenue Department. The application for preference may be downloaded at the following website:

<http://www.tax.newmexico.gov/forms-and-publications/pages/recently-updated.aspx>.

Five (5) percent (%) of the total possible points may be awarded to an Offeror who qualifies as a Resident Business. These points are added to the total points received for the Evaluation Criteria (page 11).

6.2 Resident Veteran Business Preference

For the Offeror to receive a Resident Veteran Business Preference, the business shall complete, sign, and include with the proposal the attached certification form,

along with a copy of a valid Resident Veteran Business Preference certificate issued by the New Mexico Taxation & Revenue Department. The application for preference may be downloaded at the following website:

<http://www.tax.newmexico.gov/forms-and-publications/pages/recently-updated.aspx>.

Offerors seeking a Resident Veteran Business Preference will be evaluated as follows:

- A. Resident Veteran Businesses with annual revenues of \$1M or less are to receive a 10% preference on their proposals.
- B. Resident Veteran Businesses with annual revenues of more than \$1M but less than \$5M are to receive an 8% preference on their proposals.
- C. Resident Veteran Businesses with annual revenues of more than \$5M are to receive a 7% preference on their proposals.

The 7%, 8%, or 10%, as indicated above, will be to the total points received for the Evaluation Criteria (page 11).

The Resident Veteran Business Preference is separate from the Resident Business Preference and is not cumulative with that preference. However, Resident Veteran Businesses can still receive the Resident Business Preference once the Resident Veteran Business Preference cap is exceeded.

Example: An RFP has a total value of 1,000 points. Five proposals are received: one from a Resident Business, one from a Resident Veteran Business with an 8% preference, and three non-resident businesses. The Resident Business would receive 50 points and the Resident Veteran Business would receive 80 points which would be added to their already evaluated scores, thereby making it possible for the highest score to be 1,080.

Note: Neither the Resident Business Preference nor the Resident Veteran Business Preference can be awarded for any project/contract if it includes federal funds.
