Good Morning.

Per our contract with Holmatro, Inc., Safety Instruction Ltd, LLC is the only factory authorized sales and service dealer for the state of New Mexico. This has been in effect since 2003, and continues through this time.

If you need further verification of this, you may contact Holmatro directly at 1-800-654-0203 and speak with Customer Service: Corey Hall, Aaron Shuck, or Valerie Taylor. You might also speak with Tony Barboza, National Sales Manager.

Many thanks for your trust in Holmatro rescue tools. I am looking forward to continuing our working relationship for many years.

Sincerely,

Rufus Campbell
